Their life consists in their mystery. I have us mysteries.

The composition of my preparations is laid open to all mer, and all who are competent to judge on the subject freely acknowledge their convictions of their intrinsic merits. The Cherry Pecteral was proporticed by secentific men to be a wonderful medicine before its effects were known. Many entirent Physicians have declared the same thing of my Pills, and even more confidently, and are willing to certify that their autrepations were more than realized by their effects apon trial.

They operate by their powerful influence on the luternal viscera to purify the blood and stimulate it into healthy action—remove the obstructions of the stomach, howels, live, and other organs of the body, restoring their irregular action to be life, and by correcting, wherever they exist, such derangements as are the first origin of disease.

Being sugar wrapped they are pleasant to take, and being purely vegetable, no harm can arise from their use in any quantity.
